Peyton Manning Shouts 'Omaha' 44 Times!

As you, my regular subscribers, know by now, Almighty God often uses sporting events to verify Bible Prophecy, and for Barack Obama he uses the number 44 because Obama is our 44th president. And thus we see he is symbolized by the Leopard in Daniel, chapter 7, verse number 6, which has four heads and four wings. And please do not listen to the false prophets who say that the Leopard is somehow Germany. This is an impossibility because the Leopard symbolizes both a king and a kingdom.

In the near time fulfillment, the Leopard was Alexander the Great and Greece but in the end times the Leopard symbolizes the United States and Barack Obama. And now, just this past week in the NFL, in one of their championship games, quarterback Peyton Manning shouted out the word, 'Omaha' forty-four times, and if you don't believe me, listen to this audio and count the number of times: 'Touchdown is risky..Omaha, Omaha, Omah

So why did Peyton Manning choose the word 'Omaha' and why did he say it 44 times, not 43 times, and not 45 times? The fact is he was prophesying and that's because O-ma-ha symbolizes O-ba-ma.

The next question is, how many times will Peyton Manning shout out Omaha now that I have explained its relationship to Obama. Incidentally, did you notice the number on Peyton Manning's jersey?

His number is 18 and of course 18 can be expressed as 6 plus 6 plus 6 and 666 is the number of a man, it is the number of the Antichrist and the Antichrist will succeed Barack Obama, just as the fourth beast succeeds the Leopard.

in Daniel 7, 666 will defeat 444, and the week before in the NFL wildcard game, Indianapolis defeated Kansas City 45 to 44, and quite a few of my subscribers brought my attention to the fact that the score was tied at 44-44 at the 4:44 mark on the time clock; so let me read this headline and I think it's kind of interesting, 'Chiefs- Colts AFC wildcard playoff: Indianapolis comes back from 38 to 10 deficit, beats Kansas City 45 to 44.'

And our Lord was also showing the defeat of number 44, Barack Obama, in high school basketball games just this past week. Let's take a look at this amazing clip of a full court shot with the score tied at 44 and the final score was 47 to 44.

This amazing full court shot broke a 44-44 tie. Now in this next clip from another high school basketball game, I won't show you the whole thing for copyright reasons, but it's interesting that the ball hangs on the rim, and these videos are getting millions of views, and it's not so much the score in this particular game but the number in the background on this particular shot. Now does this crazy rim shot prophesy that Barack Obama is about to fall or that he won't fall?

In this final clip, we see one more verification that Obama's number in Bible Prophecy is 44 as he receives a t-shirt from the Miami Heat: they were the champions of the NBA this past year, and this time, this is his second 44 jersey from them, instead of writing Obama on the t-shirt, they wrote POTUS and POTUS means President of the United States.

So, in conclusion, thank you Almighty God for verifying once again that Barack Obama is indeed number 44 in Bible Prophecy: he is the Leopard in Daniel, chapter 7, verse number 6, and as always if you would like to understand all the prophecies of Daniel you need to visit my thirdeaglemedia.com website where I have unsealed Daniel. Remember, you cannot understand the prophecies of Daniel as they are printed in your bible because they are sealed up, you must rearrange the verses and the chapters if you also want to understand these very critical prophecies for the End Times.
