

Arizona Shooting - God's Warning to America

On this program I want to give you a brief update on that horrible shooting out in Arizona earlier this year, in which congresswoman Gabrielle Giffords suffered a horrendous head wound, when she was shot by that crazy killer Jared Loughner. Now I want to make two more points. One of which was given to me by a YouTuber, and that is, that this is first of all, a warning from God to America, and secondly, it is an explanation of the head wound, which the Antichrist will receive.

We know this was a specific warning to America because the little girl who was murdered, Christina Green, was born on 9/11, and another amazing fact about this shooting, is that it occurred on January 8th this year. And the significance about that date, is that it is exactly 119 days from 9/11 2010. From September 11, 2010 which was the 9th anniversary of the terrorist attack in New York City, until January 8th 2011, which was the date of the shooting in Arizona, was exactly 119 days.

119 Days

So what is the significance of the 119 days? 119 is a mirror of 911.

119-911

119 days is a mirror image of 911. Please don't think that this is a coincidence. Now it is not accidental that Kristina Green, one of the six victims of the shooter Jared Loughner was born on 9/11. It is no accident that the shooting occurred exactly 119 days after 9/11, 2010, but the question is, does God ever use human tragedy like this as a warning? In the Gospel of Luke, Jesus also tells about a human tragedy, and its significance for his own listeners.

Luke 13:4 Or those eighteen, on whom the tower in Siloam fell, and slew them, think you that they were sinners above all men that dwelled in Jerusalem?

So what is the lesson in this parable? Jesus answers his own question.

Luke 13:5 I tell you, No: but, unless you repent, you shall all likewise perish.

The shooting in Arizona was the exact same warning to America. Unless you repent, you shall all likewise perish. And now the second important lesson from this End Times parable is in regards to the head wound of the Antichrist. As I mentioned, in my previous video, this head wound, which Gabrielle Giffords received prefigures the head wound which the Antichrist will receive, as described in the Book of Revelation.

Rev. 13:3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

This shooting verifies what I have been saying all along about the head wound, which the Antichrist receives. Gabrielle Gifford does not prefigure the Antichrist. Remember, the Antichrist has seven heads, and one of his heads is wounded. Those seven heads have blasphemous names, and what that means, is that he is supported by the leaders of the world's seven apostate religions. So when the Bible says that one of his heads is wounded, that is no doubt his number 1 hit, and that would be the False Prophet. So Gabrielle Giffords prefigures the False Prophet.

So who prefigures the Antichrist? Barack Obama prefigures the Antichrist, as he does in so many of his actions. He is a perfect stand-in for the Antichrist. Remember at the Arizona service, he said, I have just left Gabrielle Giffords and after I left, she opened her eyes, whereupon he received a standing ovation. He was somehow taking credit for her miraculous recovery.

So this is how the drama will be played out. The False Prophet receives the wound. The Antichrist heals the False Prophet. The False Prophet then declares that the Antichrist is divine. There is no doubt in my mind, that this shooting in Arizona was a parable of the End Times, and a warning to America, and a lesson about the Antichrist. Everyone is saying, that Gabrielle Giffords' recovery is miraculous, and I believe it is. I believe that this prefigures the miracle which the Antichrist will work, and for which he will be worshipped by the entire world.
