

2700 Year Old Prophecy About Donald Trump

I have some good news and even some great news but also the possibility of some bad news. I've been looking at Isaiah, chapter number 45, where we see his amazing prophecy of Donald J Trump in these End Times and he is prefigured by King Cyrus and Isaiah sealed up his prophecy by means of a verse chart, very much the way Daniel did with his prophecies.

And on this chart we've already looked at the first two lines and on this program I want to look at line number three and part of line four, that would be verses 7, 13, 19, 24, 8 and 14 and we're going to find verse number 14 is one of the most amazing prophecies in all of the Bible.

So, let's start with verse number 7: **'I form the light** (this is Almighty God speaking) **and create darkness** (both light and darkness) **I makes peace and create evil: I the Lord that do all these things.'** So, Almighty God creates evil! Is that true? Well if you read Daniel chapter 4, verse number 14, He said He will appoint the Antichrist, or as Daniel writes: **'I will appoint the basest man over them'**. Verse number 13: **'I have raised him up to justice** (this is a prophecy about King Cyrus, but in these end times, Donald Trump. That means Donald Trump is one of the good things that God has created) **and I will direct all his ways: he shall build my city** (of course, in Bible prophecy, 'my city' refers to Jerusalem and Donald Trump has already said he's going to move the American Embassy to Jerusalem; very significant fulfillment of this prophecy) **and let go my captives, not for ransom nor for presents says the Lord the God of hosts'**. This is just the opposite of Barack Obama. The only way Barack Obama got our captives out of Iran, that is, our American prisoners, was he paid the Mullahs a huge ransom: hundreds and hundreds of millions of dollars in cold cash. Almighty God says here that Donald Trump is not going to do that.

Verse number 19: **'I have not spoken in secret in a dark place of the earth I have not said to the seed of Jacob seek me in vain'**. On previous programs we've learned that the **'seed of Jacob'** refers to the remnant of Jews. Remember, you looked at the modifier preceding Jacob, which is 'servant', and in the book Revelation, we know the 'servants' of God are the 144,000 sealed Jews. The same as we

understood that the remnant of Israel, that is the 'elect' of Israel, or 'chosen', refers to the remnant Catholics of the End Times. This ties in very much with the previous verse, verse number 13, where Donald Trump is going to rebuild, so to speak, Jerusalem, and God is saying I do not speak to my remnant of Jacob in vain. Verse number 24: **'For every knee shall be bowed to me and every tongue shall swear'**. I should note here that verse 24 is separate from verse 23. This is not the same as you read in your King James Bibles, and I believe this is a better verse numbering, as I've mentioned before. Verse number 8: **'Drop down dew, you heavens from above and let the clouds rain the just: let the earth be opened, and bud forth a savior: (God even calls Trump a 'savior' here) and let justice spring up together: I the Lord have created him.'** So, he can't be talking about Jesus here because Jesus was not created, Jesus is Almighty God himself. But God created him and therefore this is Donald Trump in these End Times.

And now here comes this amazing verse number 14, and this verse I consider one of the most amazing prophecies in all of Scripture. Just listen to this prophecy about Donald Trump: **'Thus says the Lord: the labor of Egypt and the merchandise of Ethiopia and of Sabaim, men of stature shall come over to you** (these are going to be Donald Trump's major supporters) **and shall be yours: they shall walk after you, and they shall go bound with manacles and they shall worship you and shall make supplication to you: only in you is God and there is no God beside you'**. So, who does Egypt, Ethiopia and Sabaim represent? I've told you before, all the proper names in Isaiah 45 symbolize something else in these End Times and you often have to look at the modifier before the name because that tells you what they symbolize. So, what does the **'labor of Egypt'** represent? That means that the labor unions supported Donald Trump. How true this is! Donald Trump could not have won Michigan without the autoworkers supporting him. What an amazing prophecy from Isaiah 2700 years ago. And the **'merchandise of Ethiopia'**; again merchandise would refer to merchants and this is so true. Donald Trump won the support of the business community; the business men of the United States supported Donald Trump. And of Sabaim, **'men of stature'**. The men of stature, that's obviously the military: the Army, Navy, Air Force and Marines. Donald Trump had overwhelming support in the military. Now, do you see why I call this one of the most amazing prophecies in all of Scripture? 2700 years ago; I can't get over it!

Here's the bad news and I do have a bad report to give you; I read this yesterday on the Eagle Forum. They claim that Mr Trump is going to appoint to the Supreme Court someone who is not pro-life and they specifically mentioned Neil Gorsuch. This would be a complete denial of his whole campaign because Donald Trump repeatedly said throughout the campaign that he would appoint another one like Antonin Scalia, someone who is very pro-life, outspokenly pro-life. The only reason I give this some credence is that he is holding off on announcing his appointee. He's had, what, three weeks now, that he could announce his Supreme Court nominee. Why is he holding off? Well, tomorrow is the great March for Life in Washington DC. The March for Life annually gathers as many people as the Women's March got, even though they don't get anywhere near the media attention.

And I know, the Trump administration is sending Kellyanne Conway over to address the group but why not announce ahead of time if you're going to have a pro-life Justice? That would turn the rally into a Trump rally; really, I'm serious! If he were to announce a pro-life Justice to the Supreme Court, the marchers on Friday would be ecstatic. But he is holding off and this makes me very, very nervous since prophecy in the Bible can change. I've already learned that truth about Barack Obama not being our last president. And that prophecy was changed through people's intercession: we prayed Obama away and we did get one more president. But if prayer can work wonders with Almighty God then a lack of prayer can also cause Donald Trump to weaken in the knees and not announce a pro-life Justice to the Supreme Court. I hope and pray I am wrong. I hope and pray all of the prophecies in Isaiah 45 come true.
