

## **The Abortion Martyrs of Revelation**

The subject for today's program is that horrible crime spreading throughout the world called abortion. This has infected every nation, especially the United States of America, and God's judgment on America will come primarily because of what we have done to the innocent babies in their mothers' wombs. The innocent victims of abortion, just in America, outnumber every other holocaust that has ever occurred.

But you might ask, if this crime is really that horrific, why isn't it in the bible? On this program, I will explain that, yes indeed, abortion is found in the bible, and the innocent victims of abortion, are in heaven right now, crying out for vengeance on America. They are not praying for America but for God to punish America. This is not my opinion. This can be found in the book of Revelation.

Let's read what Saint John says in chapter number 6. 'And when he had opened the fifth seal, I saw under the altar, the souls of them were slain for the word of God, and for the testimony which they held.' Saint John uses the word 'God', instead of Jesus here, because these victims are both Christians and non-Christians. So far these martyrs could refer to the victims of abortion. They are aborted for the testimony which they held. This could be a silent testimony. They are innocent and reflect Jesus and they are murdered for the convenience of the mother, because they are a burden to her lifestyle.

'And they cried with a loud voice, saying, How long, O Lord, do you not judge and avenge our blood on them that dwell on the earth?' Notice these innocent victims seek vengeance whereas the early Christian martyrs, like Saint Stephen, for example, cried out 'Lord do not hold this crime against them'. And Jesus on the cross set the holy example when he said, 'Father, forgive them, for they know that what they do'.

Also if you understand Saint John's cryptogram, you will know that these martyrs occur after the apostasy and after the Christianity is starting to fall apart. This is the fifth seal, and the fifth seal in Saint John's Cryptogram follows the first seal, which is the White Horse of Apostasy.

Now let's read verse number 11 from chapter 6 in Revelation, 'and white robes were given every one of them'. This means that these victims of abortion are in heaven. That means that they do not suffer

their fate in the latter half of the Tribulation, because the martyrs at that time period, during the three and a half year reign of the Antichrist, will return with Jesus at Armageddon. That verifies the time frame for these martyrs is right now.

And verse 11 continues, 'and they should rest for a little while until their fellow servants and their brethren who are to be slain, even as they should be filled up.' Now this is an amazing verse, when you think about it, because when they are filled up, they will be granted their revenge; that means when a certain number of martyrs have occurred, then God's wrath will fall upon the world. The end of our times will not be determined by man's wars or natural catastrophes, but rather when a certain number innocent babies have been aborted. This will determine the time of the end.

Every day in America, three thousand babies are aborted, 365 days a year, as they have for the last 35 five years, since abortion was legalized by Roe V Wade in 1973. As I said, those innocent victims are in heaven right this moment, but they are not praying for America. They are praying for vengeance on America. I know a lot of people think that God will continue to forgive America, but there is a point at which He will stop forgiving, and His Hand of justice will fall on the United States.

In Matthew 18 verse 22, Saint Peter asks our Lord, how many times should I forgive my neighbor, seven times? And our Lord gives a very interesting answer. He says, 'not seven times but seventy times seven'. But the real question is, will God forgive after the 490th time? Jesus is actually making a prophecy here and He is referring back to Daniel. When Daniel says that 70 weeks of years are determined, bible scholars don't understand the significance of this. What Jesus is saying: God will stop forgiving after seventy times seven years.

Let's read what Daniel says in chapter 9, verse 24, 'seventy weeks', that is seventy times seven, 'are determined upon your people and the holy city.' Now let's see what the seven results are, following the seventy times seven; 'to finish the transgression, to make an end of sin and to abolish iniquity.' This will be God's punishment upon the beasts, that is, the Antichrist, the False Prophet and the One World System.

And Daniel continues; 'to bring in everlasting righteousness, to seal up the vision and prophecy, and to anoint the most Holy.' There are seven items here, and that means this is an End Times prophecy. God will

forgive seventy times seven times, but after that, His wrath will fall. That 70th week, is the week we are about to enter. The last week of Daniel's prophecy and at the end of that week, God stops forgiving and starts punishing, for the crime of abortion, particularly.

However even before God's judgment on the entire world, the Whore of Babylon, which symbolizes Britain and the United States, will be burned with fire. Saint John in Revelation says, that one of the three main crimes of the United States, which justifies our being 'burned with fire', is abortion. Let's read what Saint John says in Revelation 18, verse 24: 'and in her was found the blood of prophets, of saints and of all that were slain upon earth.

Now these innocent victims of abortion are not just one group. The prophets refer to the raptured Protestants. The saints refer to the protected Catholics, and those who were slain upon earth refer to the holy martyrs. These are the three groups who will return with Jesus, at the battle of Armageddon. This means that the innocent babies aborted in America; some, perhaps many of them, would have survived into the millennium. The abortion policies of the United States have deprived them of a glorious future during the millennium. That is one of primary reasons this country will face the wrath of Almighty God.

In chapter 19, verse 2, Saint John describes this judgment on America. 'For true and just are his judgments, who has judged the great whore, which corrupted the earth with her fornication, and has revenged the blood of his servants, at her hands.' This is the revenge that God got promised the innocent martyrs way back in chapter 6. The servants referred to in this passage are the fourth group who would reign during the millennium, and that is the converted Jews. Obviously many Jewish babies are also being aborted, who would have survived into the millennium, had they'd been allowed to live.

It's time for we, as Christians to wake up, and realize that America is the whore of Babylon, and that we must go out from her if we want to avoid the plagues, which Saint John assures us, will befall her. So when does God's judgment fall upon America? I don't know, but each day, we get 3,000 innocent lives closer, to the time when Almighty God will say, 'Enough is enough'
