

## Bible Prophecy: What if Romney Wins?

Quite a few people have been asking me lately, 'What if Mitt Romney is elected President of the United States? How does that affect Bible prophecy?' And this question usually irritates me because that is not the question you should be asking yourself. What you should ask yourself is, 'Am I prepared? What if Obama wins?' Because that will be a complete disaster for the United States and the world and I am predicting that is what will happen, but for the moment, let's just speculate because a lot of people have been asking me (1).

If Mitt Romney is elected, what will that do, for example, to Daniel, chapter number 7, where the three beasts come up out of the sea because, as we know, Barack Obama is one of those three beasts, he is the third beast which is the Leopard. Let's read Daniel 7, verse 4: **'The first was like a Lioness and had eagle's wings.'** Of course, the Lioness would be England and I believe that the person indicated here was Margaret Thatcher. She was the Prime Minister; and it could be Queen Elizabeth but I believe Margaret Thatcher is the one and she has been replaced so it's possible Obama, or the Leopard, will also be replaced, since there is precedence.

Let's look at the second beast: **'And behold another beast, a second, like a bear'**. The bear we know was Dmitri Medvedev because 'medvedev' in Russian means 'bear' and he has been replaced so we also see here a precedent. And the third beast was a leopard: **'After this I beheld, and lo, another like a leopard'** and of course, this was Barack Obama. So if he is replaced by Mitt Romney, that would not change Daniel 7 one iota.

The fourth beast which comes up is the Antichrist: **'After this I saw in the night visions, and behold, a fourth beast, terrible and powerful, and exceedingly strong; and it had great iron teeth; and it devoured and broke in pieces, and stamped the rest with its feet: it was diverse from all the beasts that had come before it, and it had ten horns.'** What's important in this whole section is that these beasts are in sequential order. First came Margaret Thatcher, then came Dmitri Medvedev, then came Barack Obama, and following these three comes the Antichrist. Since the first two have been replaced, it's possible that Obama will also be replaced and we will be much more fortunate to have Mitt Romney as the President of the United States taking on the Antichrist rather than Obama.

The next question is: what would the election of Mitt Romney do to Daniel, chapter 11, verse 40, which describes Obama as the last King of the South provoking the last King of the North, who is Vladimir Putin? Throughout the first four years of Barack Obama's presidency, he has been provoking Russia, and this actually began way back with the State of Georgia and South Ossetia and it continued when North Korea attacked South Korea, and all this past year throughout the Middle East where Barack Obama has been provoking wars and insurrections in Egypt and in Libya and Iran and in Yemen and in Syria; so Barack Obama has already fulfilled this prophecy.

Will he also stay on to fulfill the last part of Daniel, chapter 11, verse 40? Let's read that passage, **'And at the time of the end,'** that's the time we are in now, **'shall the king of the south push at him'** and Barack Obama has been doing that so this part of the prophecy has been fulfilled, **'and the king of the north shall come against him like a whirlwind,'** this King of the North is Putin. The next question, is the 'him' that he comes against Barack Obama? Or could it be someone else? Could it be Mitt Romney? **'With chariots, and with horsemen and with many ships; and he shall enter into the countries, and shall overflow and pass through.'**

So it is possible in this passage that the second part of it, that is the invasion of the United States by Russia, could occur under Mitt Romney rather than Barack Obama; but as I said, I don't believe this will happen. I believe Obama will be re-elected but, as long as we are speculating, even if Mitt Romney does become President, don't forget, we still have Daniel, chapter number 8, to deal with where the ram is crushed by the goat, that is, the United States is crushed by Russia.

So, that can still occur no matter who is President, and don't forget, in Revelation, chapters 17 and 18, the Whore of Babylon, which is the United States and Britain, will be burned in one hour by the Scarlet Beast, which again, symbolizes International Communism, which is the seventh beast which **'was and is not'** but will be revived as the eighth and final beast, the One World Communist Tyranny.

Now, there is in addition, one more prophecy regarding the United States, a nuclear attack on this country, which I have never discussed on this program and it would not matter whether Barack Obama or Mitt Romney were our President and that is the prophecy in Zachariah which describes a nuclear attack on the United States. This revelation was first given by the Blessed Virgin Mary more than 30 years ago to

the seer Veronica Lueken at Bayside, New York and has been repeated lately by Jonathan Kleck, for example, although he never gives credit to the Blessed Mother. Why am I surprised at that? But he should, because that is where the prophecy first was given.

Let's read Zachariah, chapter 5, verse 2: ***'Then I turned, and lifted up my eyes and looked, and behold a flying roll. And he said unto me, 'what do you see?' And I answered, 'I see a flying roll; the length thereof is twenty cubits and the breadth thereof ten cubits'***

And now, Veronica Lueken goes on to explain exactly what the angel is describing here. *'The angel who is showing the vision is with him'*. (this is Veronica talking) *'The flying roll is approximately 35-40 feet long. The width, half the length, (a cubit is the distance from the elbow to the fingertips).'*' So that's an interesting fact which I did not know before.

And now Zechariah continues, ***'Then he said to me, This is the curse that goes over the face of the whole earth:'*** notice here 'whole earth'. That means this is a World War that Zachariah is describing, ***'for everyone that steals shall be cut off on this side according to it: and everyone that swears shall be cut off on that side according to it.'*** Well, this is kind of interesting. In other words, this war is going to affect only evil people. Does that mean, as Jonathan Kleck has been saying, that *'when the missiles come down we shall go up'*? And actually, the Blessed Mother revealed that also about the Rapture to Veronica Lueken more than 30 years ago. In other words, the Raptured will avoid this great chastisement from Almighty God.

And now Zachariah continues: ***'I will bring it forth says the Lord,'*** so, this great war is a punishment from Almighty God, ***'And it shall enter into the house of the thief and into the house of him that swears falsely by my name; and it shall remain in the midst of his house and consume it with the timber thereof and the stones thereof.'*** Even the stones will be burned. This certainly sounds like a nuclear holocaust. And now, Veronica explains this passage: *'The flying roll flies over the earth and kills people on both sides.'* (this is Veronica speaking) *'The flying roll destroys their whole houses. The houses are burnt and consumed. The size of the flying roll would be about the size of the new multiple warhead ICBMs,'*

Veronica has explained this thirty years ago so Jonathan Kleck, you're a little behind the time on this, *'or orbital bombs, the ones that will carry*

*ten H-bombs each.*' This prophecy was given to Veronica Lueken on March 23rd, 1970, and she published it on May 30th, 1981. If we read ahead in Zachariah to verse number 11 in this chapter number 5, we see that this flying roll or ICBM has a destiny as Zachariah asks the angel and the angel says '***the destiny is the Land of Shinar***' and Shinar is Babylon and Babylon in these End Times is the United States.

So we see in conclusion, that all of these prophecies about the destruction of the United States are not determined by who is the President. It could be Mitt Romney. I believe it is more likely Barack Obama. We do know that Barack Obama is the last King of the South. He is currently provoking the last King of the North but that doesn't mean that Mitt Romney may not win. I am praying that he does. If there is enough repentance, revival, and Rosaries in America, we can defeat the Leopard and we will be much more capable of taking on the Antichrist in the End Times with Mitt Romney as President.

*1) The speculations in this article of six years ago are very relevant today with the election of Donald Trump.*
