

Train Crash NO Accident! God Warns Trump & GOP

By now, I am sure practically all of you are well aware of that horrific train crash between an Amtrak train and a garbage truck; and the train was carrying Republican members of Congress following the President's State of the Union Address; and this was a warning from Almighty God.

now, there are a lot of theories on YouTube that maybe this was the Deep State getting back at Donald Trump and the Republicans or it may be a false flag; but I'm here to tell you that this was a warning from Almighty God and I will prove that in just a minute. During the President's address he went over all of the gains that he has made in just a year's time, all of his campaign promises that he has fulfilled. For example, he's building that wall, which he said he would do. He has bombed by heck out of Isis, which he said he would do. He has cut

taxes; very popular manoeuvre. He is deporting MS-13 gang members. He has gutted Obamacare. He has really carried through on practically everything he said with one exception: he never once mentioned in his State of the Union address about defunding Planned Parenthood. If you may remember, that was one of the pillars of his campaign.

And I place most of the blame on the members of Congress, the Republican members, and that is who Almighty God is blaming. During the Obama administration, several times they voted to defund Planned Parenthood knowing full well that Obama would veto their bill. But this last year, when they knew that the defunding of Planned Parenthood would be signed by Donald Trump, they have failed! They have not even tried because they knew they could pass it and they did not want to pass it. They are phony and two-faced and that's what Almighty God is telling them. So how do I know this is a warning from Almighty God to primarily the members of Congress? Well, take a look at the number of that engine involved in that wreck. I'm gonna give you a close-up of it and I have a feeling you my subscribers will recognize that number: it

looks like 145 but actually, when you substitute the letter I for the number 1, it stands for Isaiah 45.

That is an amazing reference to the great prophet, Isaiah, who prophesied more than 2,000 years ago about Donald Trump.

And I've done a lot of videos on that Isaiah prophecy and in that prophecy, Donald Trump will take on the One World Government and the One World Religion and all the kings of the earth. But he will also convert to Catholicism and I don't think he has done that yet. Now, let me just go through the first three verses which are important in Isaiah 45 and you must read them in the proper order, and I've explained this before, 1-5-3, and that's because it is a Rosary number, and that is how we will defeat the Antichrist.

So let me go through these; and I've done this before but this is very important and obviously Almighty God is considering it very important also and I hope you members of Congress, you Republican members, watch this video, or at least read Isaiah 45. Verse number 1: ***'Thus says the Lord to my anointed Cyrus*** (Cyrus is a stand-in for Donald Trump) ***whose right hand I have taken hold of*** (Donald Trump is being guided by Almighty God himself) ***to subdue nations before his face*** (well we certainly saw that in Davos, Switzerland, he is very much admired by the other rulers of the world) ***and to turn the backs of kings*** (well, look at what he did with Theresa May, the Prime Minister of Britain; he has changed her mind) ***and to open the doors before him and the gates shall not be shut.***' That's a reference to Trump defeating the One World Government and the One World Religion. And next you must read in sequence verse number 5: ***'I am the Lord, and there is none else: there is no God besides me: I girded you*** (God has girded Donald Trump) ***and you have not known me.***' I hate to tell you Presbyterians, but Donald Trump is a Presbyterian and he does not know God and practically all, I believe all, main line Protestant denominations support legalized abortion. Donald Trump must become a Catholic and that is what Isaiah is prophesying.

Verse number 3 comes next: ***'And I will give you hidden treasures and the concealed riches of secret places*** (that is a dual meaning; he is going to give him the treasures of the Saudis and the Rothschilds and the Soroses and those people but Donald Trump does not recognize that there is a fourth enemy he must steal the treasures from and that is Satan; he has not cut those wires yet. Remember, Q Anon says that Donald Trump is cutting the wires to the bomb, but that fourth set of wires he has got to cut or America will face a disaster) ***that you may know that I am the Lord who call you by your name, the God of Israel.***' And I have done many videos pointing out to you that 'Israel' is Isaiah's code word for the Remnant Catholic Church and that is what Donald Trump must convert to; he must become a Catholic. And Almighty God is giving us a very clear warning: that is not an accident, people! That garbage strewn around the place where the train hit symbolizes the garbage coming out of the Republican Congress; they are not doing what they must do; they must stop their two-facedness and their hypocrisy. They must defund Planned Parenthood, they must cut the financial ties of Satan. And I have been on YouTube, what, ten years now, telling you these facts; and no one else is telling you this. Who else is telling you that this train crash had to do with Isaiah 45? but that's what it did!
